Both clubs have decided to allow two substitutes at any time during the game, in addition to permitting the goalkeeper to be replaced. This decision is only in case of injury.

The Russians line up with the centre-half playing as a third full-back and so Bachachkine will be No. 3 instead of 5 as in this country. Left-back Ogonkov will be No. 4 and right-half Parchine No. 5, and left-half Netto as usual No. 6.

## Famous sporting moments — at Wembley

When the Graf Zeppelin came over Wembley during the 1930 F.A. Cup Final, Alex James scored a quick goal for Arsenal following a free kick. Huddersfield players had taken their eyes off the ball to look at the Zeppelin. Arsenal won 2-0.

Sunderland beat Preston North End 3-1 in the 1937 F.A. Cup Final. This picture shows Sunderland outwitting the Preston defence and leaving the goalie helpless. Seen in the photo is Raich Carter, who was the idol of millions.
